Dear Ms. Marlene O'Toole:

The Florida Association of School Administrators ("FASA") is a statewide organization of school administrators dedicated to improving and advancing public education in Florida. As part of this mission, FASA has formed a committee of continuous existence, FASA-CCE, to support candidates for public office who share FASA's commitment to public education. Each election year, FASA-CCE reviews the platforms and records of candidates for public office and votes to endorse those candidates who have shown their support for Florida's students and school personnel.

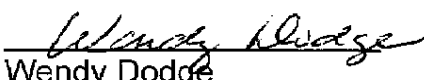

This year, FASA-CCE is pleased to endorse your candidacy for State Representative District 42. We believe you share our goals and will represent the best interest of Florida's children and schools.

You have demonstrated a dedication to public education and educational excellence. You understand the need to balance school accountability with the ability of school personnel to effectively facilitate student achievement. FASA-CCE appreciates your efforts on behalf of Florida's students and school personnel and looks forward to working with you in the future to ensure that Florida continues to strive for educational excellence in its schools.

For these reasons, FASA-CCE supports your candidacy with this letter of endorsement. We look forward to assisting your campaign and working closely with you to reach our common goals.

Sincerely,

Jim Warford
